Reds Fear Populace, CIA Head Says

New York, Oct. 20 (AP) Allen W. Dulles, director of the Central Intelligence Agency, says Soviet rulers fear more than anything else the desire of their own people for freedom. In a speech at the 23rd annual New York Herald Tribune Forum Dulles noted that in the past five years 1,800,000 persons have fled to freedom from Soviet East Germany and 250,000 recently chose to leave Communist Viet Nam.
